

PARK POINT

Dear Park Point resident,

We wanted to let you know that Park Point will begin the changeover to Dish Network on Monday, May 2nd. Please be advised that the switch will be done in segments with everyone on the new system by Friday, May 6th. **We will need to enter your apartment during that week in order to ensure service is working properly.** If you have any questions or concerns about that, please let us know as soon as possible.

Please note: old DIRECTV boxes and remote controls need to be returned to the Leasing Office by the end of the day on Friday, May 13th. As a thank you, once you drop these items off, we will enter you into a drawing to win one of two \$100 gift cards!

Please click here to view the Dish Network channel lineup. Remember, this change will provide several improvements over our current service, including:

- 6 HBO channels included with standard service
- No cable box needed for standard service
- All bedrooms AND living rooms will have service
- Easy and simple upgrades with no contract commitments
- Improved customer service and response times

Upgrade opportunities will be available through Dish - details on how to do that will be coming soon.

Again, don't hesitate to call or come in to the Leasing Office if you have any questions. Thanks for being a great Park Point resident!

Sincerely,
The Park Point Leasing Team
